MEDICAL INFORMATION SHEET

One sheet per person: conditions, medications, allergies and contacts, ready for a doctor, a paramedic or a pharmacist who has never met you.

DOCUMENT DC-04
SERIES DOCUMENTS
REVISION B // NOV 2026
STATUS PUBLIC ISSUE

GUIDE / VERIFY: A personal health record. It holds private information: keep completed copies with you, in your go-bag and at home, not in public places. **Update it whenever a medication changes, and review it at least once a year.** Ask your pharmacist for a printed medication list to check it against.
