MEMORANDUM: REPORT COVER SHEETS (REVISED)

TO: ALL WATCH AND ENGINEERING STAFF

FROM: PERSONNEL OFFICE

DATE: 03/11/02

SUBJECT: SHIFT SUMMARY REPORT COVER SHEETS

Effective with the next pay period, every Shift Summary Report must carry the revised cover sheet (Form LOG-7, Rev. 3). Rev. 2 cover sheets remaining in the supply cabinet have been withdrawn and should not be used, including the ones some of you have been keeping in your desk drawers.

The only change in Rev. 3 is the date field, which has moved from the upper right to the upper left. This aligns the cover sheet with the Shift Summary Report itself, the binder spine labels, and the Rev. 3 version of this memorandum.

Reports received with a Rev. 2 cover sheet will be returned to the submitting Watch Lead with a Rev. 3 cover sheet attached. Please do not attach the Rev. 3 cover sheet on top of the Rev. 2 cover sheet. Remove the Rev. 2 cover sheet first.

Thank you for your continued attention to documentation standards.
